

NOA

- ✓ Designed by Enrique Marti
- ✓ Solid teak
- ✓ Hand woven rope

Noa collection, designed by Enrique Marti, establishes an oasis of tranquillity. Characterised by its curving, the framework is made of natural teak that pays homage to old craftsmanship. The feeling of being close to nature continues thanks to the hand woven strap with a subtle touch of green.

- FRAME** Solid teak
- ROPE** Hand woven rope that does not discolour under the influence of the sun.
- CUSHIONS** A quick-drying foam with drainages that allows the cushions to dry quickly, even after being saturated by moisture. Mould-resistant and weatherproof.

PROTECTION COVER

We always suggest storing your furniture in a dry place when not in use or using a protection cover to avoid any blurring or damage.

Always make sure that furniture, cushions and covers are completely dry before covering furniture.

Ref.	Colour	Swatch	About this fabric
X76			

MAINTENANCE ROPE

Rope requires hardly any maintenance and is easy to clean with clear water and pH-neutral soap. For spot cleaning, use a soft cloth with a mild soap & rinse the surface thoroughly with water.

MAINTENANCE TEAK

You can treat the teak table tops with a teak protector to maintain its natural honey-brown colour for a longer time. A teak cleaner can be used to restore the teak to its natural colour. For regular cleaning you can use water and pH-neutral soap with a soft cloth or sponge.

MAINTENANCE CUSHIONS

Before use, you can apply an invisible film to make your cushions stain and water repellent by using a textile protector. For general cleaning you can use water and a pH-neutral soap or Textile Cleaner.
